Dear Mr. Delaware:

This is further to our 4 February 2019 letter pertaining to your 17 January 2019 Freedom of Information Act request. Specifically, your request is for:

- 1. Documents related to the imprisonment, trial, and execution of Mordekh Abramovitch Kakiashvili.**
- 2. Any possible correspondence from Congressman Steven Derounian to Director John McCone, or any other employee of the Central Intelligence Agency, that mentions Mordekh Abramovitch Kakiashvili.**
- 3. Any correspondence between members of the American Jewish community to Director McCone, that mentions Mr. Kakiashvili.**
- 4. Any collection or analysis of the coverage of Mr. Kakiashvili's case that was printed in the Soviet "Zaria Vestoka."**

We are reaching out for clarification regarding the scope of your request in order to understand what information you are trying to obtain. Specifically:

Pertaining to Item 2, the part stating "any other employee of the Central Intelligence Agency" is too broad. Therefore, you will have to provide us with their names in order for us to conduct a search.

Pertaining to Item 3, "correspondence between members of the American Jewish community" is too broad. Therefore, you will have to provide us with their names in order for us to conduct a search.

We will hold your request in abeyance for 45 days from the date of this letter pending your response

Sincerely,

A handwritten signature in black ink, appearing to read 'Allison Fong', with a long horizontal flourish extending to the right.
